Fall

Winter

Spring

To the everchanging seasons of the year which accompany the physical and spiritual metamorphosis of our students we humbly dedicate this volume. May it serve to remind us that the enchantment of nature still maintains a prominent place in this enlightened Atomic Age.

For as it is the crisp wind of autumn that spurs collegians everywhere to leave behind the sluggish heat of summer and again pursue their academic occupations, so it is the white chill of winter and finally the rebirth of verdant spring which imbue us with an anticipation of our own deliverance into the world outside!

## Fall

Fall is an end; an end to the carefree, the frolicking, the light. It is a memory, ever dimming, yet steadfast and firm. But Fall, the eternal paradox is also a beginning, a fresh start; a hint of the future and a glow of the past, blended into a season of turbulence and tranquility, vivid color and soft shades, warmth and chill. This is a time of change, a putting away of fond and cherished memories, a time of renewed hopes and dreams, a time of evaluation, a looking forward, a looking back, a time for a new goal.

# The Freshmen

As the class of 1962, we were early initiated into Ursinus through a new customs program under the direction of "Sensational Sententious Sandy" and "Mr. Heckler, Sir." During our weeks of dinks, name-tags, and step shows, and with the help of the Juniors, we saw our class take form as a unit. And finally, despite the efforts of the Sophomores, our officers, led by President, Dick Woodruff, were presented to the class at our Freshman Banquet.

Thus we were officially a class, and we immediately set to work on our first project, "Marooned," where shipwrecked couples danced amid a South Sea Island setting to the music of the Collegians.

The entire Freshman Class poses on the steps of Pfahler Hall.

Soph rulers of the class of 1961 include, *from back row to front*, Rufus Leeds, Jim Riddell, Van Weiss, Bill Wehr, Boris Broz, Al Walton, Richard Levitt, Glen Snyder, Warren Kurz, John Detweiler, Jim Michael, Jim Sandercock, Frank Cook, Bob Linker, Bob Leonard, Holland Fitts, Adele Statzell, Sue Pontius, Carol Heffelfinger, and Sandy Motta.

# The President

Dr. Donald L. Helfferich, H.B., L.L.B., L.L.D.

Dr. Donald L. Helfferich, H.B., L.L.B., L.L.D., is a graduate of Ursinus College and Yale Law School. He served as vice-president of our school from 1936 to 1958. In this capacity he was responsible for administering the financial and business needs of the college. In addition to this demanding schedule, Dr. Helfferich acted as an advisor to the Curtain Club.

Dr. Helfferich has a firm philosophy concerning the goals and objectives of a liberal education. This philosophy became the cornerstone of his inaugural address delivered November 2, 1958, in Bomberger Hall. The following are excerpts from this speech, which well express Dr. Helfferich's point of view.

The inauguration ceremony.

"Liberal education as we conceive it will instill in each student intellectual curiosity, will develop a capacity to think critically and to weigh dispassionately. The students will become tolerant, temperate, and charitable, but in unequal degree. The end product of a liberal education defies definite description. Its utility never has the same size and shape for every student."

"Liberal education is essential to the kind of free society in which business moves ahead and prospers. It is perhaps the most effective means of wiping out the mass ignorance and intolerance in which ideologies hostile to the free enterprise system breed. Maintaining the private liberal arts college as a genuinely independent institution, I believe, is indispensable to our way of life."

"We must prepare for the future by developing men and women with enough intellectual and technical competence to play versatile roles. Such individuals will be drawn increasingly from the ranks of those whose education and experience have included both the depth and the breadth and particularly the effort inherent in a liberal education."

## Dean of the College

William S. Pettit, M.S., has served as Dean of Ursinus since 1954. A graduate of the University of Pennsylvania, Mr. Pettit also instructs as a professor of chemistry. With all his administrative duties he fills an additional role as guidance counselor to many students. His door has always remained open to those seeking his help. As a personality Mr. Pettit is a man of great spiritual strength and warm understanding.

## Dean of Men

G. Sieber Pancoast, Ph.D., was graduated from Ursinus College in 1937. As Dean of Men, instructor in political science, and coach of the Ursinus baseball team he has served the college with genuine interest and devotion. Known on campus as "Sieb", he is a popular and very amiable administrative figure.

## Dean of Women

Miss Camilla B. Stahr, A.B., LL.D., has been Dean of Women since 1938. Miss Stahr was graduated from Wilson College, studied at Oxford University and received an honorary Doctor of Law degree from Ursinus College last year. This dignified and charming woman has won the hearts of the Ursinus women by her sympathetic and understanding assistance with their problems. More than merely a Dean of Women, Miss Stahr has become a friend to all who know her.

**Football**

Quarterback Ted Kershner spots receiver down field as Gary Leach moves in to block.

Gary Leach and Jim Terry pursuing Wagner ball carrier.

The perennial problems of manpower, injuries and "too little too late" proved to be a bit too much for Ray Gurzinski's spirited Bruin team this year. Despite the 0-8 record, Ursinus made the football limelight by placing Bob Petersen on the E.C.A.C.'s first team as center and Mike Drewniak and Dick Boggio in honorable mention positions.

Dick Boggio's recalled TD made Susquehanna's 6-0 victory a real "squeaker". Johns Hopkins 12-0 win and Wilkes' 8-0 success were far from easy victories for the Bear's opponents. U.C.'s first touchdown of the season against Wagner proved insufficient as the Gulls went on to a 26-6 victory.

Swarthmore dominated a drizzly Homecoming afternoon by posting a 24-0 score. Mike Drewniak was deservedly awarded the Ken Walker memorial trophy for his outstanding defensive play. The next week the Garnets of Haverford rolled up a 34-6 win but the Bears tightened their defensive and held Lebanon Valley to two touchdowns.

Drewniak, Cianci, Wilson, Prutzman and Terry played their last game against Dickinson. However, the Dutchmen withstood the Bears' charges and by an impressive 34-6 score.

All season the Ursinus gridders sported a tight defense but lacked a winning offensive combination. However, with E.C.A.C.'s Petersen and numerous lettermen returning, the '59 picture appears somewhat brighter.

## *Old Timers Day*

That's what next year's pep rally needs, a rocket!

Rain and defeat painted a grim cloud on Old Timer's Day, as Swarthmore splashed to a 24-0 victory over the Bears. After the contest the Kenneth Walker Memorial Trophy was presented to senior lineman, Mike Drewniak, for his outstanding performance. The Varsity Club dance in the evening featured the initial awarding of the Freshman-Sophomore Customs Trophy. This year the Sophomores earned its possession.

The following week the Ursinus Marching Band led by colorful majorettes proudly paraded on the football field during the halftime ceremonies. Next, the pretty fraternity queens put in an appearance before the enthusiastic crowd. At the Junior Class Dance that evening Clamer Hall won the dorm decorations prize and Demas Fraternity's nominee, Miss Sallie Eikner, was declared Homecoming Queen.

## Band

This year Ursinus presented the most collegiate looking and spirited band in several years. A number of forces were responsible, the most noticeable being the acquisition of new uniforms. Other important reasons were the inspiring directorship of Sam Fogal, the addition of new talent, and the return of the old, plus new methods of administration by the president, Laverne Joseph. With new foundations being laid we hope this year witnessed the rebirth of a strong and revitalized organization which can prove a credit to Ursinus and the music department.

## Soccer

In spite of capable leadership by co-captains Bob Schmoyer and Bob Angstadt, the 1958 soccer team finished with a disappointing 2-6-1 record. Bright spots in the season were the team's fine playing while defeating both Delaware and Muhlenberg, and Bob Schmoyer's winning a position on the MAC all-star team.

## Hockey

The girls' varsity field hockey team finished the '58 season with a reasonably successful record of four wins, two losses, and one tie. The two losses were to Temple and East Stroudsburg—perennially strong opponents. Captained by All Philadelphia and All College fullback Alice Irwin, and coached by Miss Snell, the team had difficulty molding individual potential into an experienced combination.

The Ursinus players distinguished themselves by placing five from the team on the All College teams. Alice Irwin, Susie Wagner, and Faye Bardman won places on the first team; Betty Lou Hufnagle Terry on the third team; Carol Bentley on the fourth team; and Adele Statzel was awarded an honorable mention. Of these girls, three went on to earn honors on the All Philadelphia teams—Susie and Alice on the first team and Faye on the third.

# Junior Varsity Hockey

The Belles in action on a defense play.

The junior varsity hockey team won six and tied one game to record an outstanding season of play. Captained by senior veterans Liz Wheeler and Joyce Gilbert, and coached by Jen Shillingford, the junior Belles overpowered every opponent with the exception of the strong East Stroudsburg squad. The spirited Stroudsburg contest ended in a scoreless tie. The victory of the hard fighting Ursinus team over Chestnut Hill's varsity, 2-0, was another accomplishment of which the team can be proud. Both the JV and varsity squads this year were sparked by many fine freshmen players.

## *Our spirit vitalized by The Committee.*

The success of the pep-rallies, pep-tags, and dances which highlighted the 1958 football season at Ursinus was due to the tireless efforts of the Spirit Committee. Promoting school spirit is a difficult task and this year's committee, under the capable leadership of President Diana Vye, has done a commendable job. Beside building up enthusiasm for the school activities this year's group raised money for such special projects as new color guard uniforms, a bear costume, and cheer-leading uniforms.

## Fall Dramatic moments...

## In the Curtain Club,

Chief among the Curtain Club's Fall activities this year was the production of the drama **Joan of Lorraine**. Directed by Bill Van Horn and Katrinka Schnabel and produced by Jack Elander, the play proved to be a great success.

Other Curtain Club activities for the year included the one-act plays **A Short Happy Journey** and **Under Milkwood** in the fall and two in the spring, one of which was a Greek comedy. A group traveled to Temple to give scenes from **She Stoops to Conquer** for the Arts Festival.

The gala comedy, **The Solid Gold Cadillac**, presented May Day weekend, closed with a flourish the major Curtain Club undertakings for the school year.

## Winter

Winter is a season of outward turbulence—a whirling, a swirling, characterized in varying shades from white to gray to black. But underneath lies warmth, repose, quiet—an underglow of introspection, inward growth.

Winter is a time for striving, reaching, searching—for the magnanimous, the hidden, the infinite. It is a sorting and sifting of truths from untruths. It is a re-evaluation of old goals and ideals and a carrying out of newly formulated ones.

It is a time of readjustment, of self reapplication; a time of earnest endeavor.

The Men's Student Government Association, usually known as the M.S.G.A., is aided in its functions by Dean Pancoast. The association consists of representatives from each class.

The administrative duties of the government include choosing proctors, awarding concessions, improving campus conditions. The M.S.G.A. also serves in a judicial capacity, dealing with infractions of the rules governing men's conduct.

## Brownback-Anders Pre-Medical Society

The Brownback-Anders Pre-medical Society was organized for the prime purpose of allowing future medical doctors here at Ursinus to meet as a group in a professional atmosphere and to learn of the physical, mental, and moral standards demanded of today's physicians.

During the term doctors in various specialties address the members, usually about their particular field. The society also arranges instructive trips to nearby medical schools and hospitals.

The Beardwood Chemical Society, an affiliate of the American Chemical Society, is composed of students interested in chemistry and chemical engineering.

The object of the society is to provide programs concerning applied chemistry, technical material in specific fields, and opportunities in chemistry, and to foster a professional pride in chemistry and chemical engineering.

The program this year put special emphasis on opportunities in chemistry and included many interesting speakers and trips to various chemical companies.

The Stuics, an eating club, was founded four years ago and is composed of junior and senior men. These men have banded together through mutual interests, and hope by their dress and behavior to bring more respect to Ursinus. The organization, in an endeavor to promote better student-faculty relations, invites a different professor every month to lunch with them. This year the Stuics widened their activities by taking advantage of the cultural aspects of Philadelphia and planning group outings.

The I.R.C. provides students with an opportunity to investigate foreign nations through acquaintance with representatives of other countries or with Americans who have been fortunate enough to visit alien lands. Programs have included discussions on Spain, Cyprus, Germany, Spain, Europe in general, and various views on student life in Europe. In the Spring, a delegation of eight students, with Dr. Miller as faculty adviser, attended the model United Nations at Wilkes College.

Monthly meetings of the Student Education Association of Pennsylvania provided the members with many educational movies and worthwhile presentations from prominent educators.

## Spanish Club

The Spanish Club was reorganized in the fall of 1958 after a lapse of several years. Cherry Soper, the president, and Ruth Ann Spencer, the secretary, had spent their junior year studying at the University of Madrid and wanted to develop an interest in Spanish culture on the campus. At the first meeting the officers related their adventures in Madrid and on successive Monday evenings the programs concerned guest speakers from South America, folk songs, modern poetry, and classical music.

## French Club

The purpose of the French Club is to acquaint the campus with various aspects of French culture. The club meets on alternate Tuesdays and at each meeting the members sing songs, listen to speakers and discuss French movies or plays which are available to the Philadelphia community. Highlights of this year's activities were a meeting with IRC to hear about Miss Spangler's European trip, a French journalist's talk concerning Morocco and the annual Christmas party.

*Left to right: B. Dean, J. Wettereau, F. Haberl, E. Bretzger, B. Hauer, L. Ransom, S. Lësher.*

## German Club

The German Club was reorganized in the spring of 1957 to provide a means of spreading German culture on campus.

Emil Bretzger, a student who spent his junior year studying in Vienna, and Franz Haberl, an Austrian student, provide the leadership of the organization. The club's programs emphasize the discussion of poetry and the appreciation of German music. Attendance at plays, movies, and church services give the students further insight into German life.

"What's that about an inauguration?" Editor-in-chief, Fred Glauser.

The Ursinus Weekly, published approximately three times a month and twenty-two times a year, is a paper designed to interest student and faculty alike. The Weekly keeps Ursinus posted on all the latest news—from dances, to meetings, to inaugurations. The news, features, and sports staffs keep abreast of all Ursinus events.

Through its blazing and timely editorials the Weekly attempts, often unsuccessfully, to arouse student opinion and wrath.

# the lantern

The Lantern is published to provide a place for the creative literary works of Ursinus students. The diverse types of poetry and prose are selected by the Lantern staff not only for their pure literary excellence but also for their appeal to readers whose interests vary widely. With high ideals and noble diligence the Lantern pushes toward this end of being the prime aesthetic literary outlet on campus.

## Wrestling

The Ursinus wrestling team began its season under the capable supervision of new coach, Mr. Richard Schellhase. Captain, Jack Prutzman, suffered a rib injury early in the season and could wrestle only against Haverford. However, his "pin" in that contest proved to be a deciding factor in an Ursinus victory. The only other senior, Tony Cianci, constantly displayed outstanding ability.

The rest of the team was well rounded out by Joe Davies and Larry Glass (123 lbs.); Bob Turnbull and Don Smith (130 lbs.); Karl Luck (137 lbs.); Bob Neubauer and Paul Hill (157 lbs.); Pete Petersen (167 lbs.); Enos Russel and Tom Engel (177 lbs.); and Will Abele (unlimited class).

This capable team constantly proved a great threat even in the face of more experienced opposition.

## Basketball

The 1958-59 season saw head coach Paul Zdanowicz returning for his second year at Ursinus. He felt rather optimistic with high-scoring Jim Wenhold and Inky Wagner around whom to build the squad. Mike Becker and Wally Christ after missing the previous season were back to occupy starting positions at forward and guard respectively. Denny Gould, 6'3" center up from the J.V.'s, rounded out the starting combine. Offering able assistance in the backcourt throughout the season were Tom Winchester, John Detweiler, Curt Conn, and Doug Harper while Marv Koff, Pete Wise, and Glen Snyder were capable substitutes in the forecourt.

The highlight of the season was the home win against Philadelphia Pharmacy. This victory was the first on the home floor in three years. Injuries hindered team play during the entire season, however, and contributed to a disappointing conclusion. Those seniors ending their collegiate basketball careers were Wagner, Christ, Koff, and Becker. The remaining members will return for another season on the Ursinus hardwood.

The Junior Varsity was guided by a newcomer to the Ursinus coaching staff, Mr. John Klock. A talented freshmen group presented themselves at the start of the season. With many players possessing equal ability it was hard to choose a starting squad. As a result a number of names appeared as standouts during the season. Roger Wiest, Jay Apfelbaum, Larry Koch, Ken Saylor, Bill Davis, and Bernie Masters were among these performers. Since all the aforementioned are freshmen, Ursinus expects a brighter future in basketball.

The 1958-59 Swimming team is once again under the fine leadership of coach Beverly Ruhr. This year's team has so many candidates, veterans and freshmen, that they are sure to have a successful season. The number of freshmen will provide building blocks for future years. Besides a varsity team, Ursinus can, this year, provide a full J.V. lineup. Captain Jackie Robbins and the entire team has shown an extreme amount of enthusiasm, spirit, and determination which is the key to success in any sport.

## Badminton

The badminton team, coached by Jen Shillingford and captained by Jeanne LeCato, had all of their letter winners from last year return for the 1958-59 season. The team has been undefeated in the past two years, and with the spirit and pep of the girls their string of victories should increase. The biggest rivals are Bryn Mawr and Swarthmore; these matches, especially, are thrillers from start to finish.

This year several team members entered the Class B Delaware Valley Badminton Association Tournament. Three girls brought distinction to Ursinus through their outstanding play. Carol Heffelfinger and Liz Wheeler were runners-up in the women's doubles and Jeanne LeCato and Harvy Snavely of Lebanon, Pa., were runners-up in mixed doubles.

## Girls' Junior Varsity Basketball

The girls' J.V. basketball team, though made up mainly of freshmen, also had a few returning members including Carol Bently, Margie Cramer, and Mary Lozier, who added the necessary experience that comes only with practice. Through spirit and hard work, the girls obtained the experience which will prepare them for the varsity squad in future years.

Christmas at Ursinus is indeed a time of joyous festivities, friendly fellowship, and a true spiritual feeling. Many weeks prior to Christmas week, rehearsals for the **Messiah** begin and are manifested in a moving performance. Dormitories are decorated, plans for the Christmas Banquet and dorm parties are made, presents are wrapped and well-wishes are extended. The traditional Christmas Dance and the caroling will long be remembered for themselves, and also for the incidents associated with them. And as a new day dawns, echoes of "Merry Christmas" are heard throughout the halls.

What could be nicer than a cozy fire at Christmas time?

The Canterbury Club is a national organization of the Anglican communion in American colleges and universities. Its intent is to provide a framework in which churchmen, undergraduate and graduate, lay and clerical, who have in common not only their membership in the Church but also their several vocations in the world of higher education, may unitedly express their concern for the Church, the World, and the University.

## Chi Alpha

## Alpha Phi Epsilon

The brothers of Alpha Phi Epsilon, known more commonly as the "Apes", are the blue jacketed gentlemen seen on campus. Their successful projects this year included a Homecoming Reunion; the election of Sally McSparren as their Homecoming representative for queen; the "Annual Flop", a spirited autumn dance; the rushing stag; and the sentimental evening of the closing dinner dance. It is with great pride that the Apes can boast a year of accomplishment.

## Beta Sigma Lambda

Beta Sig boasts one of the closest knit groups of fraternity members on campus. Their social affairs are traditionally successful. The main attractions this year were "The Can", an open dance; an annual orphans' party climaxing the Christmas season; an open, free party; and last, and perhaps most enjoyable for the members, a closing dinner dance.

True fraternal spirit and fellowship contributed much to the wonderful year Beta Sig enjoyed.

## Delta Mu Sigma

The watchwords of Delta Mu Sigma, "Demas", are brotherhood, loyalty, and lasting friendship. This year was highlighted by the election of their fraternity queen, Sallie Eikner, as Homecoming Queen. Community and social events such as the Christmas Orphans Party with Sig Nu, a rousing cocktail party, and the Annual Mixer with O Chi were successes without exception. Under the leadership of Jim Cooper, Demas closes out one of its greatest years to date.

## Delta Pi Sigma

Delta Pi Sigma is a fraternal organization dedicated to the cause of the male day student here at Ursinus. This year Delta Pi has distinguished itself as being the leader in the I.F.C. In addition, it has sponsored cake sales, gay rushing stags, orphans' parties with KDK, and a magnificent dinner dance at the end of its social season.

## Sigma Rho Lambda

Sig Rho's social season was launched by a Homecoming banquet over which their queen, Jackie Robbins, reigned. In their newspaper, "The Newsletter", it was reported that the scholarship fund exceeded \$2000, a great tribute to a fine fraternity. The winter season witnessed the brothers at an ice-skating party followed by "Dew Drop Blasts" during second semester. A May dinner dance provided a fitting climax to a year packed with fun and success.

## Zeta Chi

ZX is an all around active brotherhood which fosters true fraternal companionship and loyalty. The Zetans try to contribute something to every aspect of campus life. Among their social highlights this year were the Homecoming Dinner, the "Survival Swing" dance, the annual rushing stag, the orphans' party, and the colorful dinner dance at the close of school. In every way, ZX has measured up to the qualities of an outstanding "on campus" fraternity.

The IFC council is an organization comprised of representatives from each of the six campus fraternities. The prime objective of this group is the promotion of inter-fraternity good will and respect through joint effort. Besides coordinating the fraternity rushing and bidding programs, the council sponsors an IFC weekend in the spring. This colorful tradition is perennially a smashing success and is accomplished mainly by the combined cooperative efforts of the member fraternities.

The Senior Class presented its Senior Ball, a "Fantasy in Frost," on December 5, 1958. The decorations, under the direction of Trudy Laurenson, set a woodland scene which included a white deer poised in a snowy glade.

The Lord and Lady of the Ball, Al Daniels and Linda Brenner, reigned while everyone enjoyed the music of Matt Gillespie.

The announcement of the permanent class officers was another highlight of a successful evening for the Senior Class and its guests.

## Spring

With the Spring comes a new glow — a manifestation of seeds sown, of ideas planted, of work begun and finished. Here is a time for rejoicing, for enjoying the depth of satisfaction which accompanies completion.

The hours, weeks, and months are gone, yet the memory of their success or failure, the memory of their lessons lingers to color subsequent hours. One cycle is ended; another is about to begin — founded on and reared in the past, dependent upon the present, expectant with the future.

## Sophomores *Where hope springs eternal.*

One year older and little wiser the Class of '61, led by our capable class officers, returned to Ursinus. Our fall endeavor was to put into action the revised Freshman Customs Program under the capable leadership of "Sensational Sententious Sandy" and Mr. Heckler, Sir.

For our first social function of the year we spread our wings to present a Thanksgiving dance entitled the "Fowl Ball," and shortly thereafter followed with preparations for the annual Soph Hop.

Officers of the Sophomore Class:  
President, Frank Cook; Secretary,  
Joan Meszaros; Vice-President, Glen  
Snyder; Treasurer, Fred Bauman.

"An automatic 'A' if you rub it." *Left to right:* Bob Petersen, Mike Blewett, Jim Batchler.

It does not seem possible to the members of the Class of 1960 that three years have passed since they wore the dinks of the lowly Frosh. Looking back on that freshman year, the members have reason to believe that perhaps they weren't so lowly after all. Bolstered by enthusiasm and cooperation they presented two very successful dances, "Showboat" and the "Golden Nugget" and supported an active Booster committee.

"Serene, sagacious, sophisticated Sandy" and "Mr. Gest" along with the other Soph rulers stand out in our minds as the leaders of the traditional customs program. No "sophomore slumpers", we joined in a cooperative effort to produce two dances with current themes, "Sputnik" and "Roland's Rendezvous".

This year under the leadership of John Forrest, president for the third year; Jon Myers, vice-president; Helen Pearson, secretary; and Bruce Drobnyk, treasurer, we joined the ranks of the established upperclassmen. Reflecting on the success of "The Snare", our turn-about venture, and the Junior Prom we look forward to another year which will further demonstrate the enthusiastic spirit of the Class of 1960.

## Baseball

Warm welcome for "Wally" Christ following two-run homer.

The Ursinus baseball team upheld tradition by turning in another winning record for the '58 season —10 wins and 5 defeats. One of the highlights of the season was Coach "Sieb" Pancoast's 100th win as baseball mentor at Ursinus.

The '59 team, captained by Wally Christ, entered the season confident of continuing the winning ways of Ursinus in baseball. Nine returning lettermen formed the nucleus of the squad and were counted on to repeat their outstanding performances of the previous season. Beside Wally Christ other seniors were Paul "Doc" Lim, Jack Strunk, Bob "Inky" Wagner, and Wayne Williams. The remaining junior lettermen were Lin Drummond, Elmer Haigh, Ed Savastio, and Jim Wenhold. Supported by talented and competitive freshmen another victorious season is predicted.

"Up and over for Bob Petersen."

During our Junior year, the track team finished the season with a poor record of three wins and five losses. It was truly unfortunate for the squad that Ken Buggeln was injured for the entire season. Ken, our star runner the previous year, presently holds two school speed records. This year the nucleus of the team is comprised of returning lettermen Cal Fox, senior; Bob Peterson, junior; and Fred Genter, Al Walton and Vern Morgan, sophomores. Coach Ray Gurzynski anticipates many pleasant surprises this year and is hoping for a very successful season.

## Men's Tennis

Having lost two of last year's lettermen, Bob Gilgor and captain Gene Morita due to graduation, the tennis team will be paced by seniors Shel Wagman and Art Martella, the new co-captains. Speedy, aggressive Art got to the semi-finals in the Middle Atlantic Competition last year and was rated the most outstanding player on the Bears' squad. Other returning lettermen are Boris Broz and Larry Habgood, both promising sophomores. With heads up play the team, coached by Sidney Quinn, should better its 3-5 record of last year.

**Captain Art Martella set for forehand smash.**

# Girls' Tennis

An ace serve.

The girl's tennis team, led by the able Jen Shillingford, wound up an outstanding 1958 season undefeated for the second year in a row to bring their string of victories to 17 straight. All the matches displayed much spirit, pep and excitement. The Swarthmore match, taking 5¼ hours to play because of rain, was by far the most exciting. Carol LeCato, 1958 captain, has been high in the standing for three years for the Middle Atlantic Girls' Tennis Championship. The 1959 tennis team, packed with experience and losing only Rene Rawcliffe by graduation, should continue its winning streak and have another undefeated season.

# Softball

The Softball Belles—left to right: L. Sperber, N. Gilmore, M. Cramer, L. Magness, J. Schachterle, D. Schachterle, G. Snyder, and Coach Snell.

The 1958 softball team consisted mostly of newcomers. The squad, captained by Mary Shultz, included four returning lettermen. Because of the many events that are scheduled and the poor weather conditions in the spring, the softball team is limited in the number of games they play. As a result of the spirit and enthusiasm showed by all who come out for the team, the softball team usually has a good season. The interest of the girls makes Coach Eleanor Snell's job of filling vacant positions an easier one. The 1959 squad will have many returning lettermen and will be looking forward to a successful season.

# Lacrosse

Each year lacrosse is gaining more interest and enthusiasm. The 1958 season registered 2 wins, against Drexel and Swarthmore, and 3 losses, against Temple, West Chester, and Beaver. The girls showed pep, spirit, interest and willingness to learn. The team lost only two members by graduation, Sue Justice and Pat Woodbury. With captain Alice Irwin, All-American Reserve for two years, and a squad including many returning varsity players, Coach Marge Watson and the lacrosse team should, in 1959, continue their improvement and come out with a good record. Also there to bolster the 1959 team will be excellent freshmen prospects for key positions.

Barbara Tucker and Cherrie Soper find time to rest during the Fall "Y" Retreat.

The YM-YWCA, as the Christian organization on campus, tries to present a rich and varied program directed toward satisfying student needs and interests. Membership is open to all. The program is concentrated into four commission areas.

The Campus Affairs Commission endeavors to supply the social and cultural needs of the campus with activities such as sketch and music parties, student-faculty evenings, and an art seminar. The Intercollegiate Commission is a new group formed to encourage exchange of programs and ideas with other colleges. Attendance at regional conferences and programs on European seminars and work camps also fall into this area.

Through the Social Responsibility Commission, the X-ray and blood mobiles are brought to Ursinus, and students participate in volunteer work at the Norristown State, Valley Forge Hospitals and the Friends' Service work camps. S.R.C. this year sponsored Koffe Klatsch, a marriage seminar, and a baby-sitting service for faculty members. The Student Worship Commission is the sponsor of the second semester "Religion in Life" week, Sunday night vespers, Bible study, and Sunday school.

The Y as a group helps with freshman orientation and takes on special projects as needs arise. The retreats held each spring and fall combine good fellowship, worship, recreation, and study in a meaningful week-end experience.

## Meistersingers

A mixed choral group under the direction of Dr. William F. Philip, this year's Meistersingers had more interest from the student body than ever before. Although it is not a professional group, the Meistersingers strive for professional qualities through the joy they receive themselves and the pleasure they can give to others.

The chorus had a busier schedule this year than before. Many concerts were sung in the Philadelphia area. The group provided the music for several programs at the college also. The annual spring tour, the highlight of the year, was to a new area this year that of central and western Pennsylvania.

In May, the annual banquet was held. New officers were elected, and hopes were raised for a bigger and better 1959-1960.

My poor, poor feet!

## Chapel Choir

The Chapel Choir, directed by Dr. W. F. Philip, sets the mood for each chapel service throughout the week by opening with a choral call to worship and closing with a prayer response. The choir, which also participates in the annual Christmas Communion service, is a completely voluntary group.

*Back row:* D. Emery, E. Boehm, S. Miller, R. Allen, P. Shults, W. Miller, R. Kreisinger, J. Deisinger. *Second row:* S. Sands, M. Hunt, C. Davis, J. Sanders, D. Lamm, J. Meszaros, C. ## Music Room

The library music room was created for those of the Ursinus College student body who wish to enjoy good music but haven't the proper facilities of their own to do so. The equipment provided includes a complete high fidelity sound system with records which appeal to all tastes plus an AM-FM radio. The room is staffed with monitors who are on duty and operate the expensive apparatus at assigned hours.

## Ugliest, Fraternity Men

The Campus Chest Committee organizes and directs the annual united fund raising program on the Ursinus campus. The 1959 Campus Chest Drive set as its goal \$1,600. The money was raised through the support of the various campus organizations, the Ugly Man Contest, personal solicitation, the Student-Faculty Show, and the Penny Mile. Competition ran high in the intra-dorm solicitation contest. This year's contributions went to The World University Service, The American Friends Service Committee, The Pennsylvania Association for Retarded Children, and Town House, a local mental health agency.

## Alpha Phi Omega

The Lambda Upsilon chapter of Alpha Phi Omega, a national service fraternity, is an integral part of campus life. The society functions generally to serve the student body, faculty, and community. More specifically, it handles all campus elections, aids the faculty at registra-

tion time, and provides for campus tours. This year it helped augment the Christmas spirit by providing gay, seasonal decorations.

In addition to the above, Alpha Phi has an active social calendar including dances, parties, and trips.

# *A rite of Spring, the Juniors' Prom*

On the night of April 11, 1958 we danced to the music of Bill Holcombe at "Spray of Springtide", the Junior Prom. The Lulu Temple Country Club was decorated for the affair with flower beds, picket fences, and trellises of white roses.

During the intermission, Al Daniels escorted our lovely prom queen, Jackie Robbins, to the stage where she was crowned Queen by Dr. Pancoast. On the stage with the Queen were the members of the court: Linda Brenner, Barbara DeGeorge, Penny Hill, and Diana Vye.

After the crowning of the Queen, Tom Bennignus announced the four men who were accepted into the Cub and Key Society. Jackie Robbins pinned the traditional colors on the lapels of the new members: Walter Christ, Sam Fogal, Fred Glauser, and Ted Holcombe.

May Queen

"May is Fair Time" was the theme of the annual May Day held on May 10, 1958. Spectators attended the County Fair along with two country cousins, Jenny and Jake, and there met the wicked gambler, the intruding horse, the children, and many animals and vegetables.

Our charming May Queen, Joan Martin, presented a prize for the best entry in the fair.

We remembered the May Day tradition in the Maypole dance and the presentation of corsages to Big Sisters by the freshman women. The day was completed by a buffet, the annual softball game, and the Curtain Club's presentation of "She Stoops to Conquer."

The Bumblebees, left to right, back row: J. Drenguba, L. Brenner, Queen Bee, G. Kleckner, S. Korte, J. Berry; front row: N. Craft, V. Cross, D. Vye, and I. DeRyder engage in a swift and lively portrayal.

## The May Day of the New

Jackie Robbins  
May Queen

"Spring comes to the Deeps" celebrated the traditional May Day at Ursinus.

Under the management of Barbara Tucker, who was also author of the pageant, mermaids, fish, and people gone down with their ships all paid homage to their Queen, Jackie Robbins. After the lobster pages presented their queen, she was crowned by Kathy, to rule over her dream-world and undersea kingdom. The imaginative pageant was followed by the annual softball game, the buffet supper and concert. Another fine and memorable May Day was climaxed by the spring play presentation of "Solid Gold Cadillac".

## Women's Student Government Association

The Student Council is the executive branch of the Women's Student Government and its function is to initiate and carry out any measures which benefit all women students. The group has ten members: four officers, four class representatives, a representative from the girls' day study, and the chairman of the Hall Presidents.

*First row, left to right: G. Snyder, vice-president; P. Cadmus, secretary; R. Bellairs, president; M. Paxson, treasurer. Second row: E. Rankin, M. Hartzell, S. Motta, M. Pennington, N. Owen, N. Byrne.*

## Hall Board

The Hall Board acts in a judicial capacity for the W.S.G.A. and is composed of the dormitory presidents, the president of the girls' day study, the chairman of the freshman customs committee, and the officers of the Student Council.

This group is presided over by the vice-president of the W.S.G.A. and it elects a secretary from among its members. The Hall Board enforces most of the college regulations and all of the student government rules, meeting only when it is necessary to deal with offenders of these rules.

*Left to right: C. Weiss, M. Pennington, M. Bair, R. Bellairs, M. Hartzell, Chairman; D. Blakney, M. Wilson.*

## Senate

Acting as the legislative branch of the Women's Student Government Association is the Senate. The membership of this group is composed of one representative from each dormitory except in the new dorms which have one representative for each floor. The other members of the group are the presidents of the Y.W.C.A. and the W.A.A., a Weekly representative, a representative of the girls' day study, and the president and vice-president of the executive council.

*First row, left to right: G. Snyder, vice-president; R. Bellairs, president; J. Gilinger, secretary. Second row: M. Lozier, C. Forry, E. Catlett, P. Whittick, J. Drenguba, H. Baile, L. Yonker, M. Sensenig.*

## ALPHA PSI OMEGA

Membership in the Delta Tau Cast of Alpha Psi Omega, a national honorary fraternity, is extended to those students who have contributed outstanding work to college dramatics. To wear the blue and gold colors is to be recognized for outstanding interest and participation in Ursinus dramatics. Alpha Psi members serve as a nucleus for the Curtain Club by offering guidance according to their motto of "humble artistry". Seniors are pictured.

## Cub and Key

This honorary society was founded in 1939 to give recognition to those men who exemplify the high ideals of the college. The members, limited to seven, are chosen from the junior class; the criteria for membership being fine character, scholarship and participation in extra-curricular activities.

The society fosters respect and observance of college rules, promotes the desire to achieve high scholastic standing, sponsors an annual scholarship, lends its service whenever possible and functions as an alumni body.

## The Whitians

The Whitians is an honorary society for Ursinus women. Permanent membership is awarded to those junior and senior women who have received an 85 average for four semesters, and who have exhibited the qualities of leadership, character, and participation in extracurricular activities. During the year the outstanding social event held by the group is a smorgasbord luncheon at the Collegeville Inn. An award sponsored by the Whitians is given to the freshman woman who has achieved the highest scholastic standing in her class.

The seniors on this page were chosen to be recognized in the 1958-59 edition of **Who's Who Among Students in American Universities and Colleges**. The students appearing in this volume represent approximately 750 colleges and universities. A committee composed of the student government heads and representatives from the administration nominate the candidates to the national association. Selection is based on scholarship, participation and leadership in academic and extracurricular activities, citizenship and service to the school, and promise of future leadership.

How quickly fly the days, weeks, months. And now suddenly the pregnant moments of this year are but a memory. To us Ursinus is not merely a congregate of cold stone buildings surrounded by trees and grass, but Ursinus is the spirit of those people who make up its student body, its faculty and administration. Ursinus is the school spirit — we remember the pep rallies and football games with their enthusiastic and loyal cheering sections. We remember the pomp and impressiveness of the inauguration and convocation tea held in honor of our new president. When work is done, books and papers are temporarily laid aside, and student and professor alike often join together in stimulating and entertaining leisure.

Ed Gobrecht calmly handles eager students buying books.

At Ursinus we are presented with many opportunities for a further widening of our intellectual outlook. Our courses, lectures and books are supplemented by interesting and informative speakers for our forum sessions. Forums are available to all students who wish to take this opportunity toward a better understanding of their moral, religious, social, and political world.

Beta Sig assembles for a business meeting.

Can we act!

Dr. Sturgis marshalls in the graduates.

Ursinus provides the students with many occasions to work together as a group — engendering the spirit of brotherhood and sisterhood in the various fraternities and sororities, class loyalties with dances and class projects such as the Senior Show presented by the seniors as a group, and school spirit and loyalty with the school working as a coordinated unit on projects. And, of course, for the seniors, the big event of the year is graduation. For them it is the culmination of four years of learning, fun, friendship, and activity. Each student has received for himself rewards from college living in proportion to the energy, enthusiasm, and time which he has been willing to put forth.

# SENIORS . . . Class History

"Long, long be my heart with sweet  
memories fill'd!  
Like the vase in which roses have  
once been distilled;  
You may break, you may shatter the  
vase if you will,  
But the scent of the roses will hang  
round it still."

These words, penned by Thomas Moore some five centuries ago, sing in our hearts now as we, the Class of '59, close the door upon four full and happy years—four years brimmed with challenges met and conquered, with the expansion and growth of the intellect and the heart. Our time here sped by so fast, and yet how bright remain the memories. We remember the dances and proms and our pride at having a part in their preparation. In later years we'll smile as we

think on those weary "all-nighters," those meetings "to set meetings for other meetings," the pep rallies and games, the spirited dorm "gab sessions."

So short a while ago, it seems, we arrived on campus as "the lowly frosh" full of enthusiasm and wonder at the new world opening before us. Throughout customs we watched our class shape into a working unit headed by our president, Ben Houser. With our first big project, the Freshman Class Dance, we learned to work together, the result being the very successful "Red Riot". Then we immediately set to work on the Mardis Gras week-end which was to be held in the spring. Including carnival booths and games of chance, refreshments, a jazz war with visiting colleges, and an outdoor dance, the "Mardis Gras" was an innovation on the campus and was enjoyed by students, faculty, and townspeople alike.

After the successful conclusion of our initiatory year, we returned, again under Ben's leadership. Our first job as "exalted sophs" was to take charge of customs, and this was amply handled by our rulers led by "Most Honorable Elite Elegant Energetic Elaine" and "Mr. Schmoyer, Sir." We rounded out the year with our class party, the Soph Hop, and the "Dog Patch Drag" turnabout which celebrated Leap Year.

Before we knew it, we were upperclassmen and

were off in a new whirl of activity. Al Daniels now ably took the helm, and led the class as we prepared for another turnabout dance, "Oriental Fantasy." The highlight of the social year for us was the Junior Prom, "Spray of Springtide," at which we saw our lovely Jackie Robbins crowned queen.

And all too soon we took our places at the "top of the heap". As seniors our largest task was that of producing the yearbook. Joan Schaefer and Samuel Fogal, Ruby editors, began plans for the book early in the summer, and by the Fall they and their staff started work in earnest. Students danced to the music of Matt Gillespie's band at the "Fantasy in Frost" Senior Prom. At the prom we proudly paid tribute to our Lord and Lady, Al Daniels and Linda Brenner, for their many contributions to the class; and Al Daniels, Diana Vye, Merrill Anderson, and Samuel Fogal were presented as our permanent class officers. Our final college endeavor was the presentation of the Senior Show. Under the directorship of Lolly Strasser and Jim Kriebel, the class put on a farce comedy, "She Forgot to Remember."

And so with graduation is written the final chapter in *The History of the Class of 1959 at Ursinus*. Each leaves to take his place in the larger outer world, but as he departs he takes a bit of Ursinus with him, and he leaves a portion of himself behind.
